Objective:

A dedicated and curious Computer Engineering student with a strong interest in Artificial Intelligence, Computer Vision, and real-world applications of emerging technologies. Currently learning Data Structures and Algorithms (DSA) to strengthen problem-solving skills and algorithmic thinking for software development and competitive programming.

Education:

Sardar Vallabhbhai Institute of Technology – Vasad
Bachelor of Engineering Computer Engineering, 2023 - Current

Academic Projects:

- Developed a model that detects the craters and boulders on planetary surfaces.
- Working on enhanced public security using face recognition.

Skills:

- Knowledge of C,C++ and Python programming
- Active listening
- Analytical and critical thinking
- Problem-solving

Languages:

- **English**
- **Hindi**
- **Gujarati**

Hobbies and interests:

- Programming
- Brainstorming Activities
- AI-based innovation
- Exploring emerging technologies
